# Nail Products

Our innovative HandsDown® products are the best way for you to be sure your nail services are an entirely seamless experience for both you and your clients.

**42940/42950**

## HandsDown® Ultra Nail & Cosmetic Pads

Poly-backed to prevent soak-through, these pads remove nail polish from all ten nails with only one pad, while protecting your own manicure. This product is also ideal for other applications – it works well with facial creams, cleansers and makeup, as well as removing excess color from the skin during hair color services.

**42800**

## HandsDown® Nail Wipes

Lint-free wipes that are excellent at removing the tacky layer after gel polish cures and perfect for cleaning brushes or tools. Allows you to clean during manicures and pedicures while protecting your own manicure.

**60906**

## HandsDown® Soak-off Gel Nail Wraps

A flexible, non-slip wrap that was designed to more easily soak off gel polish or acrylic.

**42910**

## HandsDown® Nail Care Towels

Made from soft, strong, texturized fabric that protects work surfaces and is virtually lint-free. Both sides are functional, cutting down on the need to use more towels.

**54256/54257**

## HandsDown® Cuticle Sticks

A staple of manicures and pedicures that can also be used for other precision tasks throughout the entire service. The 4" sticks are beveled on one end, pointed on the other and 7" sticks are beveled on both.
