

SANEK[®]

Neck Strips

Made from soft, high stretch tissue

Help catch hair clippings to prevent itching later

Less than 1 cent per use for cost effective protection

Helps absorb perspiration and moisture

Dispenser available for convenient one-at-a-time use

Today, sanitation is so important, most State Beauty & Barber regulations require a Neck Strip or clean cape be used. The easiest, most affordable way to meet neck protection regulations.

No need to add to your laundry bill!

Sanek Neck strips have been the professional choice for over 95 years. Hundreds of millions are used in the U.S. each year.
